Corbie Arts Summer Workshops are jam-packed with learning and fun! Each workshop is centered around a science, geography, or history theme. Students will explore a variety of 2-D and 3-D media and techniques, including, tempera, watercolor, collage, printmaking, pastels, sculpture, etc...

TO INFINITY AND BEYOND!

Get ready for an out of this world adventure. In this three day workshop, we will design, draw, and create our own robots, do an outer space painting, draw a futuristic city, paint a space shuttle, etc... In between projects we will learn fun space related facts.

July 7-9 10am-12pm or 2pm-4pm

CRAWL, WIGGLE, FLY

In this three day workshop, we will paint symmetrical butterflies, make a bee print, learn to draw bugs of all kinds, build 3-D spiders and more. In between projects, we will learn fun facts about insects and arachnids.

July 14-16 10am-12pm or 2pm-4pm

ART, AMERICAN STYLE

Come join us on an American Road Trip. We will explore the landmarks, icons, geography, and art of America. From the Statue of Liberty to the Wild West, these fun art projects will guide us across America, learning geography and fun U.S. facts along the way.

July 21-23 10am-12pm or 2pm-4pm

MODERN MASTERS

In this three day workshop, we will explore artists of the 20th century. Each project will focus on famous artists from the 1900's to present day. Each day will include an art project and a craft project based on that artist's style.

July 28-30 10am-12pm or 2pm-4pm

All workshops will be held at Columbia Bible Church, 202 S. Van Buren. Minimum age: 6. Tuition is \$55 per workshop, 10% discount for siblings. Contact **Kristina Massey** at **corbie199@gmail.com** to register.
